

Training Proposal for 2019/20 Season

In response to feedback from members on training arrangements, a change is proposed for the 2019/20 season. The change is intended to:

- 1) To prevent the training for one section (Men's or Ladies') ending late in the evening (9:30pm).
- 2) To allow for a longer training session for both Men's and Ladies' training.

It is proposed that training will be arranged as follows:

Junior Training – Tuesdays - 6:00pm to 7:00pm

Ladies' Training – Tuesdays – 7:00pm to 8:30pm

Men's Training – Wednesdays – 7:00pm to 8:30pm

With the switch to two nights, none of the Men's players should train in the Ladies' session (and vice versa), otherwise than by exception agreed in advance by the Committee.
